AGREEMENT

This Agreement entered into as of the 1st day of September, 1993, between the NICE COMMUNITY SCHOOL BOARD (herein referred to as the "EMPLOYER") and the NICE COMMUNITY SCHOOL EMPLOYEES' CHAPTER OF LOCAL #2565, Affiliated with Michigan Council #25, AFSCME, AFL-CIO (hereinafter referred to as the "UNION").

PURPOSE AND INTENT

The general purpose of this Agreement is to set forth terms and conditions of employment and to promote orderly and peaceful labor relations for the mutual interest of the Employer, the Employees and the Union.

ARTICLE 1 - RECOGNITION - Employees Covered

- A. Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Employer does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment for the term of this Agreement of all employees of the Employer included in the Collective Bargaining Agreement described below:

All full-time and part-time non-certified employees, excluding confidential secretaries, all certified employees and supervisors, as defined by the Michigan Employment Relations Commission.

- B. "Employee" or regular full-time employee" as used in this Agreement means any employee regularly scheduled to work thirty (30) or more hours per week on a full calendar year basis, or on a full school year basis, who have completed their probationary period as herein defined, or who have remained employed in excess of the temporary period herein defined. Such employees shall be entitled to all benefits under this Agreement for which they are otherwise eligible, including fringe benefits as summarized in Appendix C.
- C. "Regular part-time employees" are those regularly scheduled less than thirty (30) hours per week, but scheduled on a full calendar year of full school year basis, who would otherwise qualify as "employees" pursuant to the definition provided in Section B of this Article. Regular part-time employees are entitled to all non-economic benefits of this Agreement, and in addition are entitled to the wages, cost-of-living, overtime and shift differential for which they would otherwise be eligible under this Agreement, and for fringe benefits as set forth in Appendix C. Notwithstanding the above, teachers' aides will be eligible for fringe benefits as set forth in Appendix C.
- D. The term "probationary employee" as used in this Agreement means any regular full-time or regular part-time employee who has not yet completed their probationary period as provided in the Seniority Article. Probationary employees shall be paid in accordance with the classification rates set forth in Appendix A (post 1994). Probationary employees shall also be paid the overtime and shift differential for which they would otherwise be eligible but shall be entitled to no other benefits under this Agreement. Probationary employees may be laid off or discharged as exclusively determined by the Employer, with or without cause, provided this provision shall not be used for the purpose of discrimination because of Union activity. The Union shall represent probationary employees for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment as set forth herein.
- E. The term "substitute employee" as used in this Agreement means an employee, including a seasonal employee, who is hired for a limited period which period shall not exceed forty (40) consecutive working days for that position. This period may be extended in individual cases by mutual agreement between the Employer and the Union. Substitute employees may be laid off or discharged as exclusively determined by the Employer, with or without cause, provided this provision shall not be used for purpose of discrimination because of Union activity. Substitute employees shall be paid at a base wage, ten percent (10%) below the normal classification rates

set forth in Appendix A (including cost-of-living) and in addition are entitled to shift differential for which they would otherwise be eligible. Other than as provided in this Section, substitute employees shall be entitled to no rights under this Agreement. In the event such employees are continued beyond the forty (40) working day period, without an extension granted by the Union, they shall be credited with full continuous service from the beginning of their original hire with the Employer and shall be entitled to all benefits under this Agreement for which they are otherwise eligible. The Union will be notified of the hiring of substitute employees expected to be employed for more than ten (10) working days, and of their expected period of hire, and may confer with the Employer concerning such employment. Such notification will be in advance of hiring where reasonably possible. Substitute employees shall not be used to circumvent Article XIX Temporary Assignments and/or Article XX Job Posting and Bidding Procedures.

- F. The term "temporary employee" as used in this Agreement means an employee who is scheduled to work a specific assignment, for a specified amount of time, with the understanding that employment will terminate with a pre-established date or condition previously agreed to by the Union and the Employer. The employer agrees that during summer breaks, temporary positions filled by non-District employees will be posted.
- G. Regular employees scheduled to work on a school year basis who work in a temporary position in the summer months shall be paid the normal rate for the classification in which they are working, including cost-of-living, overtime and shift differential for which they would otherwise be eligible. For employees who carry health insurance during the school year, and work in a temporary position during the summer, the Board shall pay 55% of the health insurance premium if employee continues their coverage. This temporary position must last more than twenty-five (25) working days or 150 hours. Employees shall be entitled to no other benefits pursuant to this Agreement.
- H. When new employees are hired, the Employer shall notify both the Union and the employee, in writing, whether the employee is a "substitute employee".

ARTICLE 2 - MANAGEMENT'S RIGHTS

The Employer retains all rights, powers and authority vested in it by the laws and Constitutions of Michigan and the United States. Except to the extent specifically limited by the express terms of this Agreement: Policies of the Board of Education on behalf of the Employer as stated in Board policies, minutes, or in any other manner, and any additions thereto, subtractions there from or revisions thereof, may be made by the Board from time to time. Not by way of limitation but by way of addition, the Board reserves unto itself all rights, powers and privileges inherent in it or conferred upon it from any source whatsoever. Rights reserved exclusively herein by the Employer which shall be exercised exclusively by the Employer shall include by way of illustration and not by way of limitation the right:

- 1. To manage and control the School's business, equipment and operations, to direct the affairs of the Employer, and to determine all matters concerning management of the Employer, its financial policies, including all accounting procedures, and all matters pertaining to public relations.
- 2. To direct the working forces, including the right to hire, promote, demote, assign, transfer, discipline, suspend and discharge employees, to determine the size of the work force and to lay off and recall employees, to determine the number of shifts and hours of work, including starting times and scheduling, to adopt, amend and repeal reasonable rules and regulations, to determine the qualifications, skill and physical ability of employees, including adoption of policies affecting selection, testing or training of employees.
 - a. Employees seeking a position in a different job classification will be subject to a qualifications test administered by an objective third party. If more than one Collective Bargaining Agreement employee passes the test, seniority will prevail. If all employees

applying fail the test, the Employer can test and employ successful applicants from outside the District.

- b. Employees posting for such positions will be allowed to do so at the Employer's expense. In the event the employee fails the test, they may attempt to pass the test to qualify for future vacancies. No employee will be allowed to take the test more than three times per classification applied for. Employees may not take the test more than once per calendar year, and the Employer will only offer testing when a position is vacant.
 - c. The Employer and the Union will meet, with the Union Staff Representative present, to discuss and agree to the third party test administrator and the subject matter contained in the test prior to the test being administered to any applicants. The parties further agree that the minimum passing score will not exceed 77% without agreement between the parties.
 - d. This testing procedure will be established upon ratification of this agreement. The following positions will be subject to testing: Maintenance person, Building secretary, Mechanics, Teacher aides.
3. To determine the services, supplies and equipment necessary for operations, the methods, schedules and standards of operation, the means, methods and processes of carrying on the work including automation thereof or changes therein, and the institution of new and/or improved methods, to determine the location or relocation of facilities, including establishment, relocation or closing of divisions, departments, offices, schools, buildings or other facilities, and to determine the placement of operations, production, services, maintenance or distribution of work, and the source of materials and supplies.

ARTICLE 3 – UNION SECURITY

- A. The Board hereby recognizes The NICE Community Schools Employees' Chapter Local No. 2565 Affiliated with Michigan Council No. 25 AFSCME, AFL-CIO as the exclusive bargaining representative. The term "employee" when used hereinafter in the Agreement shall refer to all employees represented by The NICE Community Schools Employees' Chapter Local No. 2565 Affiliated with Michigan Council No. 25 AFSCME, AFL-CIO in the bargaining or negotiation unit as defined herein.
- B. The Board agrees not to negotiate with any employee organization other than The NICE Community Schools Employees' Chapter Local No. 2565 Affiliated with Michigan Council No. 25 AFSCME, AFL-CIO for the duration of this Agreement.
- C. The Association shall indemnify and save the District harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken or not taken by the Employer or in reliance upon signed authorization cards or lists furnished to the Employer by the Association.

ARTICLE 4 - UNION REPRESENTATION

- A. Stewards, Alternate Stewards and Chapter Chairperson
 1. The employees covered by this Agreement will be represented by three (3) stewards and three (3) alternate stewards. The Union shall have the exclusive right to assign said stewards and shall assign at least one (1) steward to each of the following buildings:
 - i. Westwood High School

- ii. Aspen Ridge School
- iii. Westwood Bus Garage

2. The Employer will be notified of the names of the officers, stewards and alternates.
3. The Chapter Chairperson and stewards, during their working hours, without loss of time or pay, may investigate and present grievances to the Employer during working hours, providing they are excused by their building principal and/or immediate supervisor.

- B. Union Bargaining Committee: Employees covered by this Agreement will be represented in negotiations by six (6) negotiating committee members and two (2) alternates.

ARTICLE 5 - SPECIAL CONFERENCES

- A. Special conferences for important matters will be arranged between the Chapter Chairperson and the Employer or its designated representative upon the request of either party. Such meetings shall be between management and normally not more than two (2) representatives of the Union. Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conference shall be confined to those included in the agenda. Conferences shall be held between the hours mutually agreed upon. The members of the Collective Bargaining Agreement shall not lose time or pay for time spent in such special conferences. This meeting may be attended by representatives of the Council and/or representatives of the International Union.
- B. The Union representatives may meet on the Employer's property for at least one-half (1/2) hour immediately preceding the conference.

ARTICLE 6 - GRIEVANCE PROCEDURE

- A. It is the intent of the parties to this Agreement that the grievance procedure set forth shall serve as the means for the peaceable settlement of all disputes that may arise between them as to the application and interpretation of this Agreement or the conditions of employment, without interruption in the normal operations of the District. Employees are required to follow and to use this procedure in case they have any grievances which they wish to be considered and settled. Any grievance shall be presented as soon after its occurrence or after its coming to the attention of the aggrieved employee (or the Union if there are no identifiable aggrieved employees to bring the grievance on their own behalf) as is reasonably possible without interruption of normal operations, but in any event the grievance, in order to become the basis for a claim, must be presented within ten (10) working days after the employee (or Union) knew or should have known if they exercised reasonable diligence and attention of the occurrence or non-occurrence of the event upon which the grievance is based, which in no event shall be more than thirty (30) working days from the date of such occurrence or non-occurrence.
1. Step 1. Except as otherwise specifically provided, the grievance shall first be presented to the employee's principal or immediate supervisor. Step 1 grievances may be discussed with the employee's principal or immediate supervisor during working hours by the aggrieved employee. The aggrieved employee may request a Step 1 meeting with the principal or immediate supervisor at which meeting the employee's steward may be in attendance. Such meeting shall be held at a mutually satisfactory time and place within forty-eight (48) hours following the employee's initial discussion with the principal or immediate supervisor. If the complaint is not resolved in such discussion, or at this meeting, it may be presented in writing and appealed to Step 2 of the grievance procedure.
 2. Step 2. Grievances not adjusted by the principal or immediate supervisor shall be reduced to writing on forms provided by the Employer and shall be dated and signed by the

employee involved. The written grievance shall, within the first ten (10) working days after answer in Step 1 above, be presented by the employee and/or the employee's steward to the Superintendent for the Superintendent's written signed disposition. If such presentation is made by the steward, the steward shall countersign the grievance. The Superintendent shall provide written signed disposition within ten (10) working days after such written grievance is presented.

3. Step 3. If no satisfactory settlement is obtained in Step 2, the written grievance shall, within the first ten (10) working days after answer at Step 2 above, be presented by the employee and/or the Chapter Chairperson to the Superintendent, or designate, for forwarding to the Board of Education, or their designate. If such presentation is made by the Chapter Chairperson, they shall countersign the grievance. The Board, or their designate, shall meet with the council staff representative, employee and/or Chapter Chairperson concerning such grievance. The Employer's written signed disposition shall be given within twenty (20) working days following submission of the grievance at Step 3.
4. Step 4.
 - a. If the grievance remains unsettled, and the Union wishes to carry it further, the Chapter Chairperson shall refer the matter to the Council Staff Representative.
 - b. In the event the Council wishes to carry the matter further, it shall, within thirty (30) calendar days after answer to Step 3, file a demand for arbitration in accordance with the Federal Mediation and Conciliation Services and Procedures.
 - c. The arbitrator may be appointed by mutual agreement of the parties provided if the parties hereto are unable to agree upon such arbitrator then the matter shall be referred to the American Arbitration Association. Selection of the arbitrator and the arbitration proceedings shall be conducted in accordance with the Federal Mediation and Conciliation Services and Procedures.
 - i. The arbitrator shall have the authority and jurisdiction only to interpret and apply the provisions of this Agreement insofar as shall be necessary to the determination of the merits of such grievance, but shall not have jurisdiction nor authority to add to or detract from or alter in any way the provisions of this Agreement.
 - ii. The arbitrator shall have no authority to consider or adjust any grievance not presented, within the time limits provided, and shall have no authority to consider or adjust any grievance not presented, within the time limits provided, and shall have no authority to substitute his/her judgment for that of the Board as to the reasonableness of any practice, policy, rule, or other action taken by the Board, provided such practice, policy, rule or action is not contrary to the specific express terms of this Agreement.
 - iii. If it is determined by the arbitrator that an employee has been disciplined for just cause, other than discharge or suspension for more than three (3) working days, the arbitrator shall not have jurisdiction to modify the degree of discipline imposed by the Employer.
 - iv. If the Union and the Employer mutually agree on the individuals to be laid off, recalled, transferred or assigned, or if the Union fails to name the individuals it feels should be laid off, recalled, transferred or assigned once the Employer has indicated the positions, the number of employees, and the individuals to be affected, the Employer will not be liable for any retroactive pay to the employee who should not have been laid off, should have been recalled, or

should otherwise have been transferred or assigned, with respect to any period prior to the beginning of the workweek after agreement by the Employer of such a decision by the arbitrator. If the Union names individuals in accordance with the classifications and numbers required by the Employer, but the Employer elects to lay off, recall, transfer or assign employees other than those suggested, the arbitrator may award back pay to any such employees found to have been improperly laid off, recalled, transferred or assigned pursuant to the terms of this Agreement.

- v. The arbitrator shall in no event award back pay prior to the date of the occurrence or non-occurrence of the event upon which the grievance is based, and any back pay awards shall provide offset for any other earnings by the employee during such period from any source, including unemployment.
 - vi. The decision of the arbitrator shall be final and binding subject to the limitations herein specified.
 - vii. The expenses for the arbitrator shall be shared equally between the Employer and the Union.
- B. Unless longer periods have been agreed upon in writing, any grievance not answered within the time limits by the Employer shall be deemed settled on the basis of the Union's last demand, and any grievance not appealed within the time limits shall be deemed settled on the basis of the Employer's last answer.
- C. Each grievance when reduced to writing shall contain a clear and concise statement of the subject matter of the grievance, including the specific facts upon which the employee relies, and the relief sought, and shall specify the numbers of the Articles and Sections of this Agreement under which the claimant believes they are entitled to relief. No written grievance statement may contain more than one grievance. Any grievance which does not comply with this paragraph may be returned by the Employer without action.
- D. Employees who do not work during the summer months shall not be allowed to carry a grievance over the summer months because of the term "working days" unless said employee was unaware of being grieved.
- E. As used throughout this Agreement, unless otherwise specified, "calendar" days shall mean Monday through Sunday, and "working days" shall mean Monday through Friday, excluding the holidays listed in the Holidays Article of this Agreement.

ARTICLE 7 - DISCIPLINARY PROCEDURES

- A. The School District, acting through any supervisor, may discipline an employee for just and proper cause. Disciplinary action may consist of an oral reprimand, written reprimand, suspension, or discharge. In determining appropriate disciplinary action, the seriousness of the offense, and the employee's record will be considered. Disciplinary action, other than suspension or discharge, will be taken within five (5) working days after the Employer's awareness of (or the time the Employer should have been aware of) the events upon which such discipline is based.
- B. Suspension and Discharge procedure.

Upon discharge or suspension of employees, the Employer agrees to promptly notify the affected employees and their stewards. Such notice shall be in writing and shall contain the specific reasons for the discharge or suspension. Discharged or suspended employees will be allowed to discuss their discharge or suspension with their steward and the Employer will make available an

area where they may do so before they are required to leave the property of the Employer. The employee will be informed of their right to have a steward present. Absent compelling reasons to be the contrary, suspension will commence with the beginning of the employee's next working day following final decision, and written notification, by the Employer.

C. Appeal of Reprimand, Suspension or Discharge.

Should the reprimanded, suspended, or discharged employee and the steward consider the action taken by the Employer to be improper, it shall be submitted to Step 2 of the Grievance Procedure within ten (10) working days following written notification by the Employer of such disciplinary action.

D. Use of Past Record.

1. In imposing any discipline or discharge on a current charge, the Employer will not take into account prior infractions resulting in verbal or written reprimand which have occurred more than two (2) years previously. Similarly, the Employer will not take into account prior infractions resulting in more severe discipline which occurred more than three (3) years previously.
2. No records concerning discipline or discharge (other than records exempted from inclusion in the Employee's personnel record pursuant to Section 1 of the Bullard-Plawecki Employee Right to Know Act, MCLA 423.501, as amended) will be entered into an employee's personnel file later than forty-five (45) calendar days after an alleged incident. Such file shall be maintained in the Superintendent's office. All oral reprimands, written reprimands, suspensions and records of discharge shall be documented with a copy to the affected employee.
3. Documentation of oral reprimands shall be limited to date and time, brief reference to the subject matter and names of persons present at the discussion. Written documentation to be introduced at arbitration proceedings shall be limited to documents compiled in compliance with the terms of this Section (D, 1 and 2.)

ARTICLE 8 - SENIORITY

- A. New employees hired in the District shall be considered as probationary employees for the first sixty (60) shifts actually worked. Such period may be extended by mutual agreement of the Employer and the Union. When employees finish the probationary period they shall be entered on the seniority list and shall rank for seniority from their most recent date of hire. In the case of employees with equal seniority, seniority ranking shall be determined by flipping a coin in the presence of the affected employees and representatives of the Employer and the Union at the end of the probationary period. There shall be no seniority among probationary employees.
- B. District seniority shall be based on the employee's continuous service within the District. Classification seniority shall be based on the employee's continuous service within the respective classification.
- C. Whenever a person is hired as a substitute and that person is then hired as a regular employee into the same job classification, up to thirty (30) consecutive shifts actually worked as a substitute will be credited towards the employee's probationary period. A layoff of ten (10) working days or less shall not be considered a break in employment.
- D. Seniority earned by an employee serving in a part-time position shall not be applicable to eligibility for fringe benefits if such an employee becomes a full-time employee. Similarly, seniority earned

by a full-time employee shall not be applicable to eligibility for fringe benefits if such an employee becomes a part-time employee.

ARTICLE 9 - SENIORITY LISTS

- A. Seniority lists will show the names and job titles of all employees entitled to seniority, and will indicate the employee's District and classification seniority.
- B. Copies of seniority lists for all Collective Bargaining Agreement employees will be posted in the respective buildings. Revisions of the seniority lists will be posted as made. A copy of the seniority lists and subsequent revisions, will be provided to the Union. Within fifteen (15) working days of such posting, each employee shall either sign the seniority lists next to their name, in the place provided, or shall file a written, signed objection to the revision with the Superintendent. The Union may also object to such revisions, in writing, within fifteen (15) working days of such posting. If no written objections have been made within such period, or, if written objection has been made, upon final resolution of the validity of such objection, the Employer may conclusively rely upon the accuracy of such lists for all purposes of this Agreement and for purposes of future revisions of such lists. Written objections to revisions of such lists, as above provided, shall be submitted directly to Step 2 of the Grievance Procedure.

ARTICLE 10 - LOSS OF SENIORITY

Employees shall lose their seniority and their employment may be terminated in any of the following events:

- 1. If they retire.
- 2. If they quit.
- 3. If they are discharged and the discharge is not reversed through the procedures set forth in this Agreement.
- 4. If an employee is absent for two full consecutive shifts that the employee was scheduled to work without notifying the Employer
- 5. If they are laid off for more than two (2) years.
- 6. If they fail to indicate their desire, by registered or certified mail, to be continued on the records of the Employer as available for immediate recall to work within seven (7) calendar days after receipt by the employee of written notice from the Employer, by registered or certified mail, addressed to the employee's last address on record with the Employer, or upon return of such written notice by the postal service to the Employer indicating such notice to have been refused by the employee, unclaimed, or undelivered for any other reason.
- 7. If they do not return to work when scheduled upon recall from layoff as set forth in the recall procedure.
- 8. If they do not return as scheduled from sick leave or other leave of absence, including any extensions thereof which may have been granted by the Board.
- 9. Notwithstanding the above, exceptions may be made, in the Employer's discretion, in appropriate circumstances.

ARTICLE 11 - SHIFT PREFERENCE

The Employer will upon written request make shift assignments on seniority, within the employee's classifications, as vacancies occur.

ARTICLE 12 - LAYOFF AND RECALL

- A. The word "layoff" means a reduction in the work force due to a decrease of work, lack of funds or other legitimate reasons. A reduction in total weekly hours of 10% or more is considered a layoff,

and the employee shall have bumping rights under this article. Employees who receive benefits prior to a reduction in hours, shall have the same bumping rights if the reduction in hours causes them to change benefit groups in Appendix C.

B.

1. In the event it becomes necessary for a layoff, the Employer shall meet with the proper Union representatives at least fourteen (14) calendar days prior to the effective date of layoff, except in the case of emergency, in which case they shall meet as far in advance as may be reasonable in the circumstances, but in no event to delay the effective date of layoff. At such meeting, the District shall submit a list of the number of employees scheduled for layoff, reasons for layoff, their names, seniority, job titles and work locations. Said notification and meeting shall be prior to notifying the employees involved.
2. When a layoff takes place within any classification, the following procedure will be followed so long as in the Employer's opinion the remaining employees have the necessary qualifications and ability to perform all work required: Probationary employees will be laid off first. District seniority will thereafter determine the order in which employees will be laid off. An employee who would otherwise be laid off may, within three (3) working days of notification of layoff (as provided below) elect to bump any less senior employee in any classification for which, in the employer's opinion, they are qualified and have the ability to perform all the work required during the trial period as outlined in Section D below.

The bumped employee may thereupon be given immediate notice of layoff, the provisions concerning advance notice of layoff notwithstanding, and such bumped employee shall receive the wages for the classification into which they bump.

3. Employees to be laid off will receive at least fourteen (14) calendar days advance notice of the layoff except in the case of emergency, in which event such advance notice as may be reasonable in the circumstances shall be given, but in no event to delay the effective date of layoff.

C.

1. When a recall takes place within any classification the following procedure will be followed so long as in the Employer's opinion the employees have the necessary qualifications and ability to perform all work required. Employees will be recalled into the classification from which laid off, District seniority determining the order of recall. If there are laid off employees in equal or higher classifications with greater seniority than those being recalled, notice of the intended recall shall also be sent to such employees. Such employees who would not otherwise be recalled, may, within three (3) calendar days after receipt (provided receipt is not later than return by the Postal Service as provided below) notify the District (confirmed in writing) that they elect recall in another classification than that from which they were laid off and will report for work on the date specified. The Employer will thereupon attempt to notify the employee who would otherwise have been recalled as quickly as reasonably possible that a more senior employee has elected to be recalled into their position, but in any event it shall be as if notification of recall for such other employee had never been made, and such recall shall be deemed void from the very beginning. (Employees shall receive the wages for classification into which they elect recall.)
2. Notice of recall shall be sent to the employee, addressed to their last address on record with the District, by certified mail. If the employee fails to notify the District (confirmed in writing) that they will report for work on the date specified, within seven (7) calendar days after receipt by the employee of written notice from the Employer, or upon return of such written notice by the postal service to the Employer indicating such notice to have been refused by the employee, unclaimed, or undelivered for any other reason, the employee shall be considered a quit, and all seniority shall be terminated. In proper cases, exceptions

may be made. During such period, the Board may fill such vacancy as it sees fit until such time as the employee is available.

- D. Employees electing to bump or recall into a different Classification as established under Appendix A – Wages and Rates shall be granted a ten (10) working day trial period to determine the employee’s desire and/or their ability to perform the work required. If, at any time during the first ten (10) days actually worked on the new job after the employee has been awarded the job, the employee notifies the District that they are unable to perform the work, and reasons therefore, or the District notifies the employee that it does not feel the employee is satisfactory in the new position, and the reasons therefore, the employee shall be moved to another position that they desire and that their seniority and qualifications would grant them. If the employee feels they were unjustly removed from the position a grievance may be filed in accordance with paragraph E below.
- E. Grievances concerning this layoff and recall article shall be submitted in writing, directly to Step 2 of the Grievance Procedure within five (5) working days following notification by the District of its intention to take specific action.

ARTICLE 13 - TRANSFERS

A. Transfer of Employees

- 1. If an employee transfers to a position under the Employer not included in the Collective Bargaining Agreement, and thereafter, within six (6) months, transfers back to a position within the Collective Bargaining Agreement, he/she shall have accumulated seniority while working in the position to which he/she transferred.
 - 2. Employees transferring under the above circumstances shall retain all rights accrued for the purpose of any benefits provided in this Agreement. If, however, an employee continued in the position past the six month limit, all seniority earned prior to the acceptance of the position shall be frozen in the event said employee returns to the original position at a later date.
- B. If and when operations or divisions or fractions thereof are transferred from one location to another for a period of more than seven (7) calendar days, employees affected will be given the opportunity to transfer on the basis of seniority and classifications.
 - C. Teacher Aides who wish to exchange assignments for a period of not less than one school year may submit a written request to the Superintendent not later than April 15 of the school year preceding the exchange.

ARTICLE 14 - TEMPORARY ASSIGNMENTS

- A. Temporary assignments for the purpose of filling vacancies of less than thirty (30) working days may be made at the discretion of the Employer.

Whenever possible, District people will be used as long as it doesn’t result in scheduled overtime.

Temporary assignments for the purpose of filling vacancies (excluding vacations) of employees known by the Employer to be in excess of thirty (30) working days shall be posted and granted to employees based on the same factors utilized in the Job Posting and Bidding Procedure Article with the exception that the persons transferring to the temporary vacancy must be increasing their hours or their classification (rate of pay).

- E. Grievances concerning this Job Postings and Bidding Procedures Article shall be submitted, in writing, directly to Step 2 of the Grievance Procedure within five (5) working days following notification by the District of its intention to take specific action.
- F. The Employer maintains the exclusive right to assign and transfer staff where needed as long as no change in Classification as established under Appendix A – Wages and Rates, working hours or compensation occurs during such assignment and/or transfer. On occasion, employees may be asked to perform duties that are not within the parameter of the original job posting. The performance shall be evaluated in writing as follows: Employees shall be evaluated in writing at least once every three (3) years using the evaluation tool agreed to by the Board and the union. In cases when an evaluation is unsatisfactory the employee will be re-evaluated within the following year. Areas where improvement is needed will be described and recommendations for improvement will be made. A copy of the written evaluation shall be submitted to the employee to be signed and returned to the administrator and another copy to be retained by the employee. The evaluation process and form shall be treated as confidential. (See Evaluation Form on following page.)

If the extra time is to become a permanent responsibility (more than 10 consecutive working days) then a meeting shall be held between the two parties to determine whose job will receive the permanent change.
- Q. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in force and effect.
