

3660 Bids and Quotation Requirements

All purchases requiring competitive bids shall be made in accordance with current statutes, the creation of bid specifications, and adherence to the District's bidding procedure by the District's purchasing agent.

The purchasing agent shall develop and maintain lists of potential bidders for various types of materials, equipment, and supplies. Such bid lists shall be used in the development of mailing lists for distribution of specification and invitations to bid.

Any supplier may be included in the list upon request. The purchasing agent shall review all bid lists annually.

All bids and supporting documentation shall be retained in the District office with the Superintendent for a period of one year after bids have been opened.

Competitive Bids

No purchases shall be made of supplies, materials or equipment in a single transaction costing more than allowed under current law unless competitive bids for those goods and services are obtained and the Board approves the purchase.

Bid Specifications

The District's purchasing agent shall write all bid specifications in a clear and concise manner. Such specifications shall include, when necessary: required performance, surety, bid and statutory bond information; compliance with preferential bid law; financial statements; the Board's right to reject any or all bids; compliance with all federal, state and local laws, ordinances and regulations; the date, time and place for the opening of bids; and other items as the Board directs.
