The Ahmeek Lodge #150, is a fraternal service organization instituted in Ishpeming in 1871 to help the needy.

One \$600 scholarship will be available annually. One student from each of the three local high schools (Ishpeming, Westwood and Negaunee) will be selected in the final drawings held by the lodge each year.

General Eligibility Requirements

Graduating senior (GPA or ACT score NOT important unless required by particular Northern Michigan University program).

Very low income (tax form verification required of all adults living in home.)

Interested in a Trade School type program.

Ideal Candidate

A motivated, deserving student who desires to better his or her life and increase their employment possibilities by completing a short-term trade type program at Northern Michigan University, but is truly unable to do so for lack of family income, even with help from Financial Aid, Pell Grants, etc.

School Obligation

In order to identify the best candidates with the proper combination of need and desire, the counselors or others designated by each school will do all interviewing and eligibility screening necessary. Assistance with Financial Aid forms may also be necessary. Schools will submit a list of eligible candidates (3 - 5 per school) by names only by April of each year. The Lodge will conduct drawings and notify schools of recipients.

Additional Information

The actual scholarship money will be held by the college for educational expenses. Scholarship Certificates will be issued to the recipients at the school award ceremony by a representative of the Ahmeek Lodge.

Return to the Guidance Office by March 21, 2017.
