Phone: 906-485-1021 - Fax: 906-485-4095

Dear Parents,

I would like to take this opportunity to update our records on your child's Asthma. As you know, Asthma can be life-threatening if not handled swiftly and properly. My goal is to keep your child safe while they are here at school.

Please take a moment to fill out the enclosed paperwork. Keep in mind that this paperwork needs to be updated each school year as your child's condition may have changed.

Please return the paperwork to the school nurse by August 1, 2015. I will need to update our school records and pass the information along to your child's teacher **BEFORE the school year begins**. Please do not wait to bring the paperwork to school on the first day of school.

What to do:

- Fill out and return the enclosed paperwork by August 1, 2015
- Bring updated medication to the school for your student to use
- Remind your child to tell an adult if they are having difficulty with their Asthma

If you have any questions please call the school nurse at 361-8198.

Thank you,

Andrea Korpi

NICE Nurse
