Pursuant to the guidelines of the Teacher and Support Staff COVID-19 Grant, please be advised the eligible classroom teachers and school support staff of the NICE Community School District have been identified and provided Form 5734. This notice is to provide an opportunity for any classroom teacher or support staff to appeal eligibility status to the District, in writing, by December 4, 2020. Appeals should be directed to the NICE Community School District, Office of the Superintendent. Please explain your reasoning for eligibility based on the Treasury criteria cited in the form.

Upon receipt of an appeal from a classroom teacher or support staff, the District will notify the classroom teacher or support staff in writing including a statement outlining the reason for ineligibility for the Teacher COVID-19 Grant or School Support COVID-19 Grant. All documentation regarding any appeals received and written responses regarding grant eligibility issued by the District will be retained for 7 years.
