

Free COVID-19 Pfizer Vaccine Clinic

The Marquette County Health Department will offer an optional Pfizer vaccine clinic for students ages 5 and up on **Tuesday, March 1, 2022**. The second dose will be given **Tuesday, March 22, 2022**.

The clinic is optional and open to all students ages 5 and over.

GREAT NEWS! This vaccine is offered at no cost to students.

Students must have a permission slip signed and returned to the school nurse by **Friday, February 25th**. Students without permission will not be vaccinated at school. The vaccines will be given on Tuesday, March 1st, and Tuesday, March 22nd. Time and location will be determined based on the number of students that pre-register.

We will host a vaccine clinic for both Westwood High School as well as at Aspen Ridge.

A COVID vaccine is recommended but not required for everyone; including people with a chronic illness, i.e. Asthma, Diabetes, Heart Conditions, or anyone living with an infant or an elderly relative.

Please take advantage of this wonderful opportunity.

When: First dose Tuesday, March 1st
When: Second dose Tuesday, March 22nd
Where: Aspen Ridge and Westwood High School
Cost: **FREE**
