

TRANSPORTATION INFORMATION

The Transportation Department welcomes students back for the 2024-2025 school year. Below is the tentative bus schedule for 2024-2025. Parents and students are reminded that the pick-up times listed are approximate and can vary, especially for the first few weeks of school. Students are required to arrive at their designated stop at least 10 minutes before the listed time and remain for at least 10 minutes after. Please allow extra time the first week of school for adjustments in the schedule. If you do not have a copy of our Transportation Handbook, please contact the school office and one will be provided. All new incoming students will be provided a copy of the handbook on the first day of school. Please be aware that some of the buses are operating at or near capacity and bus passes will not be issued. We do not issue passes for birthday parties, sleepovers, scout meetings etc. Parents must arrange for alternative transportation for those occasions.
