

TRANSPORTATION INFORMATION

NICE COMMUNITY SCHOOLS 2026-2027

The Transportation Department welcomes students back for the 2026-2027 school year. Below is the tentative bus schedule for 2026-2027. Parents and students should be reminded that the pick-up times listed are approximate and can vary, especially the first few weeks of school. Students are required to arrive at their designated stop at least 10 minutes before the listed time and remain for at least 10 minutes after. Please allow extra time the first week of school for adjustments in the schedule. If you do not have a copy of our Transportation Handbook, please contact the office and one will be provided. All new incoming students will be provided a copy of the handbook on the first day of school. Please be aware that some of the buses are operating at or near capacity and bus passes will not be issued. We do not issue passes for birthday parties, sleepovers, scout meetings, etc. Parents must arrange for alternative transportation for those occasions.
